

PRIVACY POLICY FOR StartToSwiftUI

****Last Updated:**** November 8, 2025

INTRODUCTION

StartToSwiftUI (the "App", "we") respects your privacy. This policy explains how we handle information within our application.

SUMMARY:

- We do NOT collect personal data
- All data is stored locally on your device
- We do NOT track your activity
- We do NOT share data with third parties
- We do NOT use analytics or advertising

1. WHAT DATA WE COLLECT

The App does NOT collect, store, or transmit any user personal data to external servers.

****Data you create within the App:****

- Collections of links to educational materials
- Collection titles and short descriptions
- Link metadata (author, source, date)

All this data is stored exclusively locally on your device using built-in iOS mechanisms (FileManager and UserDefaults).

2. WHERE DATA IS STORED

- All data is stored locally on your iPhone/iPad
- We do NOT have access to your data
- Data is NOT transmitted to our servers or third-party servers

3. CURATED COLLECTION DOWNLOAD

When downloading the pre-built collection of SwiftUI links:

- The collection is downloaded into the App from a cloud service only upon your request
- The data remains on your device
- We do NOT track which collections you have downloaded
- We do NOT know which links you view

4. EXTERNAL LINKS

The App contains links to external educational resources (websites, YouTube, etc.).

****It is important to understand:****

- When following links, you leave the App
- External sites are governed by their own privacy policies
- We do NOT control and are NOT responsible for the privacy practices of these sites
- We recommend reviewing the privacy policy of each website you visit

5. USER RIGHTS

You have full control over your data:

- ****Data Deletion:**** Delete the App, and all data will be removed
- ****Data Export:**** You can export your collections
- ****Control:**** You have full control over which links to add and store

6. DATA SECURITY

- Data is protected by the built-in security mechanisms of iOS
- The App uses standard iOS encryption for local storage
- Only you can access the data through your device

7. CHILDREN

The App is intended for educational purposes and is suitable for all ages. We do not collect any data, including children's data.

8. CHANGES TO THE POLICY

We may update this Privacy Policy. We will notify you of significant changes via:

- Updating the "Last Updated" date in this document
- A notification within the App upon next launch

Continued use of the App after changes constitutes your acceptance of the updated policy.

9. CONTACT INFORMATION

If you have questions about the Privacy Policy, please contact us:
